Dear Paul and parishioners of St. John's Episcopal Church,

I have just returned from a 3-week vacation abroad and was overwhelmed to hear that St. John's parishioners had raised an astounding \$21,190 through your Easter Appeal. Thank you so much!

We have been truly inspired by St John's dedication to championing the funding of a Life Skills Coordinator for our new Pathways to Self-Sufficiency program. Your support is a testament to the selflessness of your parishioners; we are deeply grateful to everyone who helped make this possible.

Because of your generosity, we can now hire an individual to teach residents in our homeless shelters the skills they need to live on their own... skills like cooking, cleaning, shopping and budgeting. These skills will help ensure that they are able to maintain their housing and become productive members of our communities.

Pathways to Self-Sufficiency is now poised to help hundreds of homeless men and women achieve brighter futures. ***This would not have been possible without St. John's Episcopal Church's enormous and unwavering support.***

We really can't thank you enough.

Yours sincerely,

Chris Schwartz
Director of Development

No goods or services were received in exchange for this gift.
